5) The proposal to employ two additional vaccinators ~~Comptr~~ at an extra cost of 735= per annum, in Bangalore City Municipality, is for orders

The 17/12

This is a question which affects public health. It is a fact that the city is expanding in all directions & the present no of vaccinators if may be increased to 9 as recommended by Medical Officer. My only point is that the recurring expre involved in another 9 vaccinators is increasing the Dept including the D A that will have to be faced, the total expre would be Rs 10000 p a. The expre in this behalf during the current year may be met

SIR,

I have the honour to state that the City of Bangalore is divided into nine Municipal divisions for which there are only seven Vaccinators at present, so much so two of them have been entrusted with the vaccination work of two divisions each As it is not possible for one Vaccinator to attend to the vaccination work of two divisions it is necessary to increase the total strength from seven to nine vaccinators so that there may be even distribution of work among them and the vaccination work may be carried on intensively The extra cost involved will be Rs 61-4-0 P M or Rs 735/- per year The above proposals were approved by the Managing Committee and the Municipal Council at their meetings held on 12-6-1946 and 29-6-1946 respectively Copies of the aforesaid proceedings together with the proposition statement in duplicate are enclosed herewith for favour of obtaining sanction of Government to the resolution of the Municipal Council

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner
